Jaquez Williams
ACE Cheer Company

2020 will be the year that we will see Jaquez Williams in the Summer Olympic games. A native of Birmingham, Alabama and a 3 year member of ACE Cheer Company All Stars, Warrior team, Jaquez is on his way to attend the University of California in Los Angeles to obtain his medical degree. Jaquez also admits that his new journey is bittersweet. "I remember like it was yesterday I walked in the double doors and Happy Hooper told me "welcome home my love" that was the best feeling ever. It was a bitter sweet moment after I knew I wasn't staying in Alabama for long which means no more ACE and also leaving everything behind to start my new journey in California with the California Allstars!"

As a USASF Worlds team finalist competitor Jaquez has a great head start towards his Olympic goals.

Congratulations to Jaquez and his ACE and California All Stars cheer families for their support for a rising star!

To contact ACE Cheer Company visit their website at www.acetribe.com. For California All Stars visit www.californiaallstars.com
